

## 5<sup>th</sup> International Conference on Advanced Machine Learning Technologies and Applications (AMLT-2020)

13-15 February 2020

Manipal University Jaipur, Rajasthan, India

in collaboration of Scientific Research Group in Egypt (SRGE)

KEEP VISITING OUR CONFERENCE WEBSITE <http://amlta.com> FOR UPDATES

### Conference Committee

#### Chief Patron:

Prof K Ramnarayan, Chairperson, MUJ

#### Patron:

Prof G K Prabhu, President, MUJ

#### Co-Patrons:

Prof N N Sharma, Pro-President, MUJ

Prof K Jagannath, Dean, FoE, MUJ

Prof H Ravishankar Kamath, Registrar, MUJ

#### Conference Chair:

Prof Aboul Ella Hassanien, Founder & Chair, SRGE

and Professor, Cairo University, Egypt

Prof R S Shekhawat, Director, SCIT, MUJ

#### Program Chair:

Prof Satish Chandra Kulhari, CSE, MUJ

Prof Vijay Pal Singh Dhaka, CCE, MUJ

Dr Pankaj Vyas, IT, MUJ

#### Program Co-Chair:

Prof Sandeep Joshi, CSE, MUJ

Prof Devesh Kumar Srivastava, IT, MUJ

Prof Uma Shankar Rawat, CSE, MUJ

#### Organising Chair:

Prof Roheet Bhatnagar, CSE, MUJ

#### Co-Chair(s):

Dr Sandeep Chaurasia, CSE, MUJ

Dr Ashish Kumar, CSE, MUJ

Dr Vivek Kumar Verma, IT, MUJ

#### Publicity Chair:

Mr Tarun Jain, CSE, MUJ

#### Publication Chair:

Dr Vivek Kumar Verma, IT, MUJ

Mr Jaya Krishna R, CSE, MUJ

#### Finance Chair:

### ABOUT MANIPAL UNIVERSITY JAIPUR

Manipal in education is a name to reckon with not just in India, but the world over. The seeds of its magnificent growth were sown back in 1953 by Padam Shree Late Dr. TMA Pai. Manipal University Jaipur (MUJ) is the youngest member of the Manipal Education family. MUJ was launched in 2011 on an invitation from the Government of Rajasthan, as a self-financed State University, as specified by the UGC under section 22 of the UGC Act 1956. MUJ has redefined academic excellence in the region, with the Manipal way of learning; one that inspires students of all disciplines to learn and innovate through hands on practical experience. Jaipur, being one of the fastest growing cities in India, has increasing demand for quality higher education in the region. Following an allotment of 122 Acres of land at Dehmi Kalan village near Jaipur, the permanent campus of the University has come up at a fast pace and is by far one of the best campuses in the region. The multi-disciplinary university offers career-oriented courses at all levels, i.e., UG, PG, Doctoral and across diverse streams, including Engineering, Architecture, Planning, Fashion Design, Fine Arts, Hospitality, Humanities, Journalism and Mass Communication, Basic Sciences, Law, Commerce, Computer Applications, Management, etc.

### ABOUT THE CONFERENCE

AMLT-2020 is a flagship conference series of Prof Aboul Ella Hassanien – the founder of SRGE, Egypt and ex-Dean, Faculty of Computer & Information Science, Cairo University, Egypt. SRGE aims at establishing a research community for sharing common interests. The research map of the group consists of multidisciplinary research interests including: Networks, Intelligent Environment, bio-informatics, cheminformatics, and information security. Encouraging young academic researchers to collaborate within a well-established research community. The 5<sup>th</sup> International Conference on Advanced Machine Learning Technologies and Applications (AMLT-2020) which will be held in Jaipur, India during February 13-15, 2020. This 5<sup>th</sup> edition of AMLT-2020 will be organized by Manipal University Jaipur, India in collaboration with Scientific Research Group in Egypt (SRGE).

### SUBMISSIONS MAY INCLUDE, BUT ARE NOT LIMITED TO TOPICS

Advanced Machine Learning Technologies in Natural Language Processing, multimedia processing, Network Security, Bio-Sciences and Bio-technology, Education Systems, Wireless, Mobile Technologies, Ambient Intelligence, Web Mining, Cloud Computing, Intelligent Environment, Assistive technology, Advanced Machine Learning Technologies for control and automation systems, Robotic systems, Biomedical applications, animal behavior studies, big data processing, sports, Internet of things, Deep Learning Techniques, Deep Learning Techniques for Healthcare Applications, Self-driving cars, and smart agriculture, Advanced Machine Learning Applications in Basic Sciences, and Geospatial Sciences.

Kindly visit conference website for detailed topics & tracks.

### PAPER SUBMISSION

Authors are invited to submit original research contributions not concurrently submitted elsewhere. Normal length of papers should be 8-10 pages, formatted in Springer's single column format (detailed instructions for paper format in Latex and MS Word can find here <https://www.springer.com/series/11156#>). Papers reporting original research results and experience are solicited.

### KEY HIGHLIGHTS OF AMLT-2020

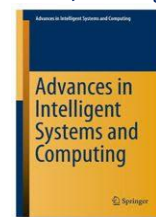

- Technical Sessions comprising of various topics related to machine learning.
- Best paper award for each track / special sessions.
- Publishing paper must meet Springer publication standards.
- Pre-Conference Tutorials.
- Post-Conference Tour.

### ABOUT SRGE

Scientific Research Group in Egypt (SRGE) is a group of young Egyptian researchers established under the chairman of the group founder Prof Aboul Ella Hassanien (Professor of Information Technology at the Faculty of Computer and Information, Cairo University). The main target of the group is establishing a research community for sharing common interests. Therefore the research map of the group consists of multidisciplinary research interests including: Networks, Intelligent Environment, bio-informatics, cheminformatics, and information security. Encouraging young academic researchers to collaborate within a well-established research community, Applying new computational designing and solutions for a number of new emerged challenges, especially those related to the Egyptian society, Establishing connections and joint research activities with other international research groups and Helping PhD/Master group's members to produce high-quality academic research, and guiding them to publish their work in a prestigious and well-known journals are some of the key objectives of SRGE.

### PAPER PUBLICATION

All accepted and presented papers will be published by Springer in the series of "Advances in Intelligent Systems and Computing" (ISSN: 2194-5357) and abstracted/indexed in DBLP, Google Scholar, EI-Compendex, Mathematical Reviews, SCImago, Scopus.

### IMPORTANT DEADLINES

All submitted papers will undergo a rigorous peer-review process and authors of selected papers will be invited to present their work at AMLT-2020, after registration, and only the accepted & registered papers will be published in the Proceedings of the Conference by Springer. Over the years, the proceedings of AMLT-2020 have set standards for the quality as well as the nature of the work presented.
